DOUBLETREE RV

When DoubleTree RV began building Mobile Suites, they used a simple philosophy: find out what the consumers want and exceed their expectations. Attention to detail starts from the ground up.

From the 15" framework, three holding tanks and 3 1/4" R13 wall framing to the incredibly convenient access to all mechanicals and electronics, DoubleTree RV fifth wheels continue to set the standard for the industry. The 2006 models are exactly what the name says... *suites*. And the best part is, they are built for you.

Conveniently located multi-function hook-up center
